Product affected

OT7602C1

Description

This product is approaching end of life, and is NOT recommended for new designs. Instead, please refer to RV3029C2 for an RTC offering tight stability and low power consumption at 32.768kHz. Please note this product is NOT a drop-in equivalent – specifications and package layouts differ.

To support existing customers, we will endeavour to support last-time buys of OT7602C1 for existing projects for a limited period. Acceptance of any orders will depend upon availability of components. Last time buy orders are non-cancellable.

If you have any queries, please contact your Account Manager or sales@golledge.com
