

END OF LIFE WARNING

Document ref:	PCN100118A v2.0
Issued:	28 Jan 11
Authorised:	JPG

Products affected

GSX-642, GSX-752

Description

Despite our previous EOL warning, demand has remained consistent. So, in order to support our customers further, these products will remain in production for the remainder of 2011. However, it is still the intention to withdraw these products from production at some point in the future. They are therefore NOT recommended for new designs.

Alternative Products

Golledge offer the following pad-compatible replacements:

Old Product	Replacement
GSX-642A	GSX-7A
GSX-642B	GSX-641 (metal lid)
GSX-752A	GSX-1A
GSX-752B	GSX-1B (ceramic lid), or GSX-751 (metal lid)

If you require samples for re-approval or have any queries, please contact your Account Manager or sales@golledge.com
