Product affected

GXO-4301

Description

Due to issues with the supply of raw materials, this product is being withdrawn from production. Please refer to our OV7604C7 for an alternative low power SM Oscillator at 32.768kHz.

To support existing customers, we will endeavour to support last-time buys for existing projects using the GXO-4301. Acceptance of any orders will depend upon availability of components. Last time buy orders are non-cancellable.
